Dear Parents/Guardians

SCHOOL UPGRADING TO SUPPORT HOLISTIC EDUCATION

1. We are pleased to inform you that Fuchun Primary will be upgraded as part of MOE's plan to support holistic education. The upgrading works will be carried out from November 2018 to December 2020.
2. Under the upgrading, additional facilities such as redesigned classrooms, band room, dance studio, performing arts studio, outdoor jogging path will be provided. These new facilities will encourage greater interaction and self-discovery, and facilitate experiential and hands-on learning. An indoor sports hall will also be provided as part of the upgrading.
3. During upgrading, the school will continue to operate at its current site. We will take the necessary measures to ensure safety, security and smooth operations during the upgrading period.
4. We seek your continual support and co-operation as we work together to provide a holistic education for your child.
5. If you have any queries, please feel free to contact Mr Long Tien Ho, Vice-Principal (Administration) at 63683925.

Thank you.

Yours sincerely
